

For Immediate Release

**CRD DISTRIBUTION INC. BECOMES NEW DISTRIBUTOR
OF DAHLE CUTTING & OFFICE PRODUCTS**

Peterborough, NH, February 2, 2010 – CRD Distribution Inc, a company well known for offering Dahle Professional Shredders in Canada, will now include Dahle’s complete line of Cutting & Office Products. CRD has over 15 years of experience in the office equipment industry and is a well established name in Canadian government sales. Located in London, Ontario, CRD’s coverage includes dealers in all Canadian Provinces.

“We are pleased that CRD Distribution has expanded their line of products to include our Professional Cutting & Office Products,” says Scott Prokop, VP and General Manager, Dahle North America, Inc. “CRD’s extensive product knowledge, as well as their impressive customer service, will help lead our two companies to great success in the future.”

Dahle is a world leader with over 75 years of cutting and sharpening experience. They offer a complete line of personal and commercial grade products that exceed even the most serious demands for precision, quality, and innovation. Professional Cutting & Office products include rolling trimmers, guillotines, large format cutters, scissors and pencil sharpeners.
