

For Immediate Release

John Motley Associates to Represent Dahle North America, Inc.

Peterborough, NH, March 29, 2018 - Dahle North America, Inc. is pleased to announce that as of March 1st, John Motley Associates (JMA) now represents Dahle in the Northeast and Mid-Atlantic regions.

“JMA will be responsible for sales activities related to building connections and expanding reach for Dahle products and Novus stapling,” said Andy Milkey, Director of Sales for Dahle North America, Inc. “They will act as an extension of the Dahle sales team, supporting their efforts in the region within the Office/Business Products channel. JMA has a long history and deep roots in this channel and are well-placed to help Dahle grow.”

Dahle North America, Inc. is a fully integrated manufacturer of innovative office products and equipment with a brand name recognized for quality and precision. Dahle markets more than 300 products, including paper shredders, paper cutters and trimmers, scissors, pencil sharpeners, and Novus staplers.
