

High Security Shredder

MODEL 40334 Small Office Shredder

The Dahle 40334 High Security Shredder is NSA/CSS 02-01 approved and supports the top-secret shredding needs of military and government agencies. It features precision milled cutting cylinders, an automatic EvenFlow lubricator, and integrated jam protection to eliminate frustration. This P-7 shredder produces 1 mm x 4.7 mm particle size and holds up to 23 gallons of shredded waste. It's German engineered and guaranteed to provide many years of trouble free operation.

EvenFlow Lubricator

Just like any fine-tuned machine, your shredder needs to be properly oiled to run at peak performance. This shredder is equipped with an EvenFlow Lubricator which provides slow, continuous oil across the entire cutting mechanism.

Precision Milled Cylinders

This shredder features solid cutting cylinders milled from a bar of German Solingen steel. They're perfectly aligned in an all-steel frame. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

SmartPower

This intuitive system reduces power consumption after ten minutes of sitting idle (sleep mode), and completely powers down after 30 minutes of inactivity. Dahle SmartPower will appeal to those interested in conserving energy as well as reducing electrical costs.

Product Features

NSA/CSS 02-01 Approved for P-7 Shredding

-For safe destruction of top-secret documents

Automatic EvenFlow Lubricator

-Provides continuous oil across the cutting cylinders
-Ensures peak shredding performance

Precision Milled Cutting Cylinders

-Milled from a solid bar of steel for durability
-Ensures a perfectly matched set of cylinders

SmartPower Energy Management

-Reduces energy cost / saves electricity
-Environmentally friendly

Automatic Jam Protection

-Reduces paper jams and eliminates frustration
-Prevents shredder down time

German Engineered

-Quality build with trouble free operation

The 1 gallon EvenFlow Lubricator provides continuous lubrication for peak performance.

Dahle High Security cutting cylinders reduce a sheet of paper to over 15,500 pieces.
