

Rolling Trimmers

507 Personal Rolling Trimmer

Rolling Trimmers are the new generation of paper cutters. Designed for safety and accuracy, the cutting blades are encased in a plastic housing that virtually eliminates the chance of injury. The rotary action of these trimmers allows the blade to cut in either direction and sharpen itself as it cuts. It's this self-sharpening action that produces a clean burr-free cut and guarantees many years of smooth, precise cutting.

Dahle's 507 Personal Trimmer is light weight and portable so it can

be conveniently taken anywhere. It's equipped with a ground self-sharpening blade that cuts in either direction and an automatic paper clamp to hold your work securely in place.

With a cutting capacity of up to 7 sheets of paper at a time, this trimmer is perfect for cutting paper, card stock, and photo paper. Dahle's 507 features a 12 1/2" cutting length and is a popular choice among photographers, craft enthusiasts, and office professionals.

Features

- Ground steel blade is encased in protective housing for safety
- Cuts up to 7 sheets of paper at a time
- Self-sharpening blade cuts in both directions
- Automatic paper clamp holds work securely
- Sturdy metal base provides solid foundation
