

Professional Rolling Trimmers

550 Professional Rolling Trimmer

Rolling Trimmers are the new generation of paper cutters. Designed for safety and accuracy, the cutting blades are encased in a plastic housing that virtually eliminates the chance of personal injury. The rotary action of these trimmers allows the blade to cut in either direction and sharpen itself as it cuts. It's this self sharpening action that produces a clean burr-free cut and guarantees many years of smooth precise trimming.

equipped with a ground self-sharpening blade that cuts in either direction. The 550 model has a cutting capacity of 20 sheets of paper at a time and is perfect for cutting paper, trimming photographs, and large format printing. This trimmer can also be wall mounted.

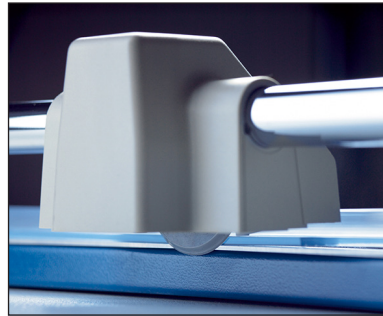

The Dahle 550 Professional Rolling Trimmers has a 14 1/8" cut length and is a popular choice among professional photographers, print shops and graphic design agencies.

The Dahle 550 Professional Rolling trimmer is designed for heavy-duty applications where precision is essential. These trimmers are
