

Dahle 50464 Shredder

Oil-Free Office Shredder

The Dahle 50464 Office Shredder is oil-free and supports the document destruction needs of busy offices with 3-5 users. It features oil-free, hassle-free operation, SmartPower energy management, and Trident Grip jam protection to eliminate frustration. This P-4 shredder produces a 1/8" x 1 9/16" particle size and holds up to 30 gallons of shredded waste. It's German engineered, and guaranteed to provide many years of trouble free operation.

OIL-FREE

Wondering when your shredder was last oiled is no longer a concern with this oil-free, hassle-free shredder. Through clever engineering, this machine maintains peak performance without the aid of oil.

JAM PROTECTION

The cylinder design produces three continuous points of contact with the paper. This smooth, even pull prevents the paper from becoming wedged to either side, and provides unprecedented jam protection.

SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

Product Features

Oil-Free / Hassle-Free Shredding

- Maintains performance without the need for oil
- Environmentally friendly

SmartPower Energy Management

- Reduces energy consumption automatically
- Saves on electrical costs

Trident Grip Jam Protection

- 3 continuous points of contact prevents paper shift
- Reduces jams and eliminates frustration

Matrix High Performance Cylinders

- Unique design improves cut, feed, & capacity

German Engineered

- Quality build with trouble free operation

Convenience Features

- Automatic on/off convenience
- Bin-full automatic shutoff

Aggressive cutting edges provide grip, and superior shredding performance.

The command dial controls power up, reverse, and continuous run functions.
