

Dahle 569

Premium Guillotine

The Dahle 569 Premium Guillotine paper cutter is one of the safest, most capable trimmers ever developed. It features a revolutionary rotating safety guard to protect fingers, a self-sharpening system for a perfectly honed blade, and a sturdy metal base with screened guides. This German engineered paper trimmer is ultra-precise and is ideal for paper, cardstock, and matboard.

Features | Benefits

- Self-sharpening cutting system maintains a perfectly honed blade
- Rotating protective guard keeps fingers safe and prevents injury
- German steel blade is machine ground to the ideal trimming edge
- Blade will safely hold any angle and won't fall down unexpectedly
- Lockable blade to prevent unauthorized use
- Sturdy metal base provides a solid foundation that won't warp or crack
- Screened Inch, metric, and angled guides for easy alignment
- German engineered for precision and accuracy
- Manual clamp holds work securely and prevents paper shift
- Extendable guide for precision trimming of thin material

German Engineered

Self-sharpening system maintains a perfectly honed blade.

Easily align work with screened inch, metric, and angled guide lines.

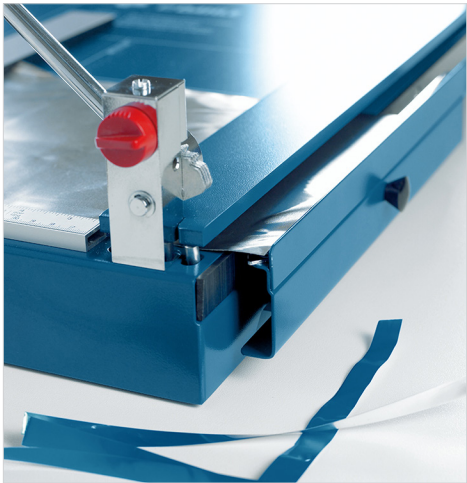

With a self-sharpening blade and a sturdy metal base, this precision cutter is ideal for trimming paper, photos, cardstock, and matboard.

The rotating guard provides an extra safety shield around the blade.

The easy-reach manual compression clamp prevents work from shifting.

Extendable metal base provides a stable cutting foundation that won't warp or crack.
